

ADRIANO PARMENTOLA

SERVICE DESIGNER · HOSPITALITY & FOOD EXPERIENCE

Bologna, IT · +39 366 291 1928 · adrianoparmentola03@gmail.com

PROFILE

Service designer with a background in industrial design and hands-on experience in food service operations. I design service experiences at the intersection of food, hospitality, and space, working on complex systems with a methodical approach and sensitivity to the detail of human experience.

EXPERIENCE

AI Workshop Tutor — Bloom Life 04/2026 – 06/2026

Progetto "Evolversi con l'AI"

- Facilitated online AI training workshops for primary and secondary school teachers, supporting digital didactics adoption.

Systems Designer — Hum.us Space — Bologna 05/2025 – present
